
Report of Findings Questionnaire

Please take a few moments to fill out the following questions relating to the *Report of Findings*. Your insight and suggestions are very valuable. Please return the questionnaire to the ADEC Division of Environmental Health – Drinking Water and Wastewater Program, 555 Cordova Street, Anchorage, AK, 99501 no later than **June 15, 2000**. Thank you for your participation.

1. After reading the *Executive Summary* of the draft *Report of Findings*, which specific area of Technical, Managerial, Financial (TMF) capacity do you feel should receive special emphasis and why?
2. What are your opinions and/or ideas regarding the adoption of a consistent statewide financial standard in Alaska?
3. The lack of availability of adequate financial resources is most often cited as the greatest impediment to increasing capacity of drinking water quality in Alaska. In your opinion, what is the second greatest deterrent?
4. In your opinion, how should the Alaska Department of Environmental Conservation (ADEC) measure capacity? What elements should ADEC consider? Do you have any additional ideas on how to measure the success of the Alaska Capacity Development Strategy?
